ATTN: Certificate of Correction Branch  
Commissioner of Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

S I R:

Pursuant to 35 U.S.C. 254 and 37 C.F.R. 1.322, it is hereby requested that a Certificate of Correction be issued for the above-identified patent without charge, as the mistake occurred through the fault of the Patent Office. The mistake was the failure to list the second inventor on the issued patent, and the correction requested is shown on the attached CERTIFICATE OF CORRECTION (form PTO/SB/44).

That the mistake (failure to list the second inventor) was the fault of the Patent Office is clearly shown in the record, most easily by the CORRECTED FILING RECEIPT which was issued on November 30, 2006. This mistake is additionally shown by the (corrected) 2006-07-17 BIBLIOGRAPHIC DATA SHEET found in PAIR.

The CORRECTED FILING RECEIPT of November 30, 2006 was issued in response to applicant's LETTER – REQUEST FOR ACKNOWLEDGEMENT OF PETITION FOR CORRECTION OF INVENTORSHIP filed November 16, 2006. This request was filed after repeated other requests for acknowledgement of the second inventor in the records of the Patent Office, going back to the PETITION FOR CORRECTION OF INVENTORSHIP UNDER 37 CFR 1.48(A) filed on August 23, 2005.

It is noted, however, that no formal acceptance or grant of the PETITION FOR CORRECTION OF INVENTORSHIP UNDER 37 CFR 1.48(A) was ever made of record. The two above-noted corrections in the PTO records would seem to constitute constructive notice of the grant of the PETITION. However, if a formal acceptance or grant of the PETITION FOR CORRECTION OF INVENTORSHIP UNDER 37 CFR 1.48(A) filed August 23, 2005

is required to be made of record, and if the issuance of the CERTIFICATE OF CORRECTION does not itself serve as an official notice of the grant of the PETITION, it is also requested that such a formal grant of the PETITION additionally be made in the PTO records at this time.

If there are any questions with regard to this REQUEST or to the request for an official record of the grant of the PETITION, please contact the undersigned at the below indicated phone number or address.

Issuance of at least the attached CERTIFICATE OF CORRECTION without charge is therefore requested.

Respectfully submitted,

Date: August 7, 2008
